VACANCY NOTIFICATION

Advertisement No.: MGUG/Recruitment/2026/09/011

Dated: 14.09.2026

Mahayogi Gorakhnath University Gorakhpur, is a Multidisciplinary University that is continuously expanding its infrastructure across a 200+ acre campus at Balapar, Gorakhpur. The University offers Higher Education across diverse fields, including Medicine, Ayurveda, Pharmacy, Nursing, Agriculture, Health & Life Science, Engineering & Technology, Allied & Healthcare and Management & Commerce. Additionally, the campus is home to a upcoming state-of-the-art multi-specialty hospital which will provide 1,800 beds high-quality healthcare services to the community in and around the region, along with two functional multispecialty hospitals with 650+ Bed (Gorakhnath Chikitsalaya) and 300+ Bed (Mahayogi Gorakhnath Chikitsalaya) both at Gorakhpur.

Mahayogi Gorakhnath University, Gorakhpur invites applications from eligible, experienced and dedicated candidates for the following position:

Post: Biomedical Engineer

No. of Post: 01

Essential Qualifications and Skills:

- B.Tech/B.E. in Biomedical Engineering from a recognized university with at least 65% marks.
- Minimum 2 years of relevant work experience in a hospital or healthcare setup.
- Strong understanding of installation, calibration, maintenance, and troubleshooting of biomedical equipment.
- Familiarity with regulatory and safety standards for medical devices.

Desirable Qualifications and Skills:

- Experience in procurement and lifecycle management of hospital equipment across Radiology, Pathology, and other clinical departments.
- Knowledge of Radiology equipment including X-Ray, CT, MRI, and Ultrasound, including maintenance requirements.
- Exposure to NABH-accredited hospital systems, including quality control, calibration, and documentation.
- Hands-on knowledge of diagnostic and therapeutic equipment, including hematology and biochemistry analyzers, immunoassay systems, centrifuges, and microscopes.
- Experience in preventive maintenance, breakdown servicing, AMC/CMC management, vendor coordination, and negotiations across ICU, OT, Emergency, and other departments.
- Certification/training in Biomedical Instrumentation, Hospital Equipment Management, or Healthcare Technology Management will be an added advantage.

How to Apply:

Eligible candidates may send their detailed resume along with supporting documents and a cover letter to hr.head@mgug.ac.in on or before **27th September, 2026**. Shortlisted candidates will be called for an interview.

Subject of Email: *Application for Biomedical Engineer*

Remuneration:

- Salary shall be commensurate with qualification, skills, and experience as per university rules.

Note: The University reserves the right: (i) To fill or not to fill any or all the posts advertised for any reasons whatsoever. If any vacancy arises after a particular post is filled, the vacancy shall be advertised. (ii) To withdraw the advertisement, either partly or wholly, at any time without assigning any reason.
